OSA - Osage Agency, BIA

Predictive Services Discussion: A large storm system will continue to move into the East today with widespread precipitation extending from the northern Great Plains to the East Coast states. Cold air will settle into the central U.S. behind the storm system. Strong northwest winds will develop Friday and Saturday across the Great Plains and Great Lakes states.

Link to Predictive Services Outlook products.

^{**} Uncontained large fires do not include confine/contain and resource benefit incidents.
